I would like to make it known that my wife and myself would be strongly opposed to this rate increase. In these economic times we are all tightening our belts, doing without a lot of things we use to take for granted. The only increase that should even be contemplated would be to cover gov't imposed requirements. It would be very disappointing if the commission rolls over this 'issue'. Let AZ water make some deep cuts like the rest of us.

Sincerely,

John H. Wright
